Interests: I love dancing. I have been dancing ballet since I was 5 years old and it has always been my passion. I am a senior here at UC Santa Barbara and my major is dance, with a minor in exercise and health science. Although I primarily dance classical ballet and modern, I love any type of dance. I am also interested in many types of physical activity such as pilates and yoga. I love the outdoors and love to go camping. I really enjoy being a very active person.
