Modeling Basics Class- Posing for the camera

Join www.jModels.com, & the California Image Crew, fellow models and learn modeling basics. Classes prepare models in the following areas picking clothing options best suited to photography, learn makeup pointers while having your makeup done, and finally pose for and work the camera on a scenic several hour photo shoot creating amazing images. Following the class photo shoot models will receive a DVD of photographs to use to create or enhance their modeling portfolio.

Bring a suitcase of your favorite outfits. Think distinctive styles to create a diverse array of images that you will create on the shoot.

-Have your hair and makeup done by seasoned professionals.

-Then participate on a several hour photo shoot in scenic Santa Barbara locations.

-As you shoot you will receive instruction on poses and proper modeling form by the jModels team.

Models will shoot in several outfits, several locations or settings and when it is all done receive professionally Photo shopped photographs to enhance your portfolio.

Cost is \$250 which includes makeup (MUA), photography, DVD and training.

Fun included at no extra cost.

Ages 14-24. (Children require parental participation.)
